# Order of Events

**Nestled within over 100 acres, the driveway approach and grounds are illuminated with a mesmerizing LED haze and enchanting twinkle lights to create a magical New Year's Eve atmosphere.**

## **ON ARRIVAL & PRE-DINNER**

As you approach through our starlit tunnel, you'll be welcomed into the enchanting Crystal Hall, setting the stage for our festive celebrations. Take a moment to relax with your guests and embark on the evening's magical journey.

Our stunning Mistletoe & Wine theme commences. With an array of grapes and cherries, intertwined with mistletoe, elegantly draped from bay trees, creating a uniquely festive atmosphere. Combined with mood lighting, this setting provides the perfect backdrop for those unforgettable Instagram moments.

Your evening will come alive as you step into our Wine Lounge. Here, you can indulge in a glass of champagne or perhaps a cocktail, while being serenaded by the lively sounds of our talented musical instrumentalist. Indulge in the festive spirit, surrounded by the enchanting ambiance of mistletoe and twinkling lights.

## THE MAIN EVENING

Our Grand Ivory Suite never fails to impress, taking your breath away with its new ceiling and LED colour wash lighting, featuring festoon lights give that ultimate party atmosphere.

The Mistletoe & Wine theme will be beautifully reflected in every detail, from the rich, warm colours to the sophisticated décor. The tables will be elegantly adorned with imaginative centrepieces, including candles, ornaments, and greenery, combined with natural elements like pine, holly, and mistletoe.

In our spectacular banquet room, dine from our extensive, international buffet offering a wide selection of delicious options. Then treat yourselves with our equally decadent array of mouth-watering desserts.

## AFTER DINNER

The party really starts with the Ashmore Brothers,  @ashmorebrosband, [www.ashmoremusic.co.uk](http://www.ashmoremusic.co.uk), performing a range of songs to suit all tastes with modern, classics and along with this providing DJ services in between breaks and after when they finish.
